Alice,

Only Juan and I will be attending the meeting with you and whomever you bring. We consider this a technical meeting and no need for attorney's. Sorry for the confusion.

There seems to be a little bit of a disconnect on who will be at the meeting on Friday.

We have no objections to attorneys being at the meeting, but the issue is that if you have attorneys there, EPA also has to have attorneys present. I just need to know one way or the other so that I can make the right arrangements.

Juan - we will do our best to get you something on outstanding AOC issues. It might be early next week as I am traveling Thursday and Friday.

Frank and I were planning to be with Mike and Juan S. at the meeting with Alice on Friday. Is there an issue for Region 2 that lawyers would be present for the private party?

Larry,

I'm not available Friday. I do see it as a missed opportunity, but maybe you can send me Oxy's proposal on financial assurance (and the other outstanding issues re: the AOC) this week so we can continue to move forward.

Thanks,

Juan

Juan,

I am writing to confirm my voice mail message to you yesterday that Frank Parigi and I will be at EPA Region 2 on Friday, 8/5, in the morning, along with Mike Anderson and Juan Somoano of Glenn SpringsH. Mike and Juan S. are scheduled to meet with Alice Yeh to discuss the Statement of Work for the Lower 8.3 ASAOC for Remedial Design.

If you are available then, Frank and I would be happy to meet with you to discuss the ASAOC.

Regards,

Larry
